Young Professionals Group

- ◆ This brand new group, the Lakes Area Chamber of Commerce Young Professionals, provides opportunities to network, socialize and expand their professional horizons. The group creates events & activities to attract and retain the area's diverse young talent.
- ◆ The LACC Young Professionals Group is made up of energetic, motivated people ages 21-40.
- ◆ Perfect for those who want to meet new people, progress their careers, get involved in the community and learn a few things along the way.
- ◆ It's a great opportunity for our young movers and shakers who are driven to succeed and committed to making a difference in their community.
- ◆ For more information about the group or to be added to our YPG emails, please contact the Lakes Area Chamber of Commerce or send this form in today!
